

RAVENOL Rostlöser mit MoS2 Spray

ART.-NR. 1360009

400 ml | 1360009-400

RAVENOL Rostlöser MoS2 Spray is designed for the effective loosening of rusted connections, seized bolts, hinges and locks as well as offering short term water and moisture displacement from ignition contacts and electrical systems. Contains finely dispersed molybdenum disulphide (MoS2) solid lubricant for excellent lubrication properties and to provide long term protection against squeaks and creaks. Formulated to be free of chlorinated solvents.

RAVENOL Rostlöser MoS2 Spray is formulated to be free of chlorinated solvents.

RAVENOL Rostlöser MoS2 Spray is suitable for use wherever moving parts need to be kept smooth and free of corrosion in all types of motor vehicles, motorcycles, marine craft, machinery, tools, lawnmowers, trimmers etc. Also ideal for use on winches, blocks, chains, wire ropes, throttle cables and all other applications where a penetrating, water displacing lubricant is required.

Application Notes

RAVENOL Rostlöser MoS2 Spray is suitable for use wherever moving parts need to be kept smooth and free of corrosion in all types of motor vehicles, motorcycles, marine craft, machinery, tools, lawnmowers, trimmers etc. Also ideal for use on winches, blocks, chains, wire ropes, throttle cables and all other applications where a penetrating, water displacing lubricant is required.

Characteristics

RAVENOL Rostlöser mit MoS2 Spray offers:

- Finely dispersed MoS2 solid lubricant promote excellent lubrication properties
- Relaxes and loosens seized screw connections
- Excellent water displacement of ignition contacts and electrical systems
- Extremely high creep for rapid penetration
- Protects metal parts from corrosion
- Prevents squeaking and creaking
