

# MOTO BRAKE & PARTS CONTAC CLEANER

MOTORCYCLE

Lubricants

## Description

Degreaser for brake discs and pads. In addition, it removes grease, oil, dirt, brake liquid and other contaminants from any part of the motorcycle, leaving the surfaces clean and dry. It acts extremely fast on the area to be treated with no need to rub and it evaporates easily without leaving any traces.

## Properties

- Brake cleaners, clutch belts, brake shoes, paints, plastics, varnishes, rubbers, electrical circuit parts, etc.
- Its composition makes it especially suitable for cleaning all kinds of surfaces without damaging the paint, plastics or rubbers.

A safety information file is available on request.
