

PerFormance FG Penetrating Spray

Product Overview

Performance FG Penetrating Spray is a non-toxic food grade multipurpose spray that penetrates, displaces water, lubricates and protects against corrosion. H1 registered for use in food, pharmaceutical and other clean environments.

Performance FG Penetrating Spray has excellent dewatering properties and corrosion protection. The low viscosity base fluids have excellent wetting ability to enable seized fasteners to be freed quickly leaving a residual lubricating film to aid reassembly and helps to prevent further corrosion. Application is aided by the utilisation of a 360° valve for inverted use.

Features and Benefits

- Food Safe
- Audit compliant - NSF® H1 Registered
- Odourless & Tasteless
- Excellent Penetration capabilities
- Quickly frees seized components
- Aids assembly
- Temperature range, from -50°C - 120°C
- 360° Valve for inverted use
- Ideal for the use as a general lubricant for the lubrication & protection of small components.
- Colour coded for audit compliance

Available Pack Size / Product Code

Pack Size	Product Code
12 x 400ml	FG40033

Nonfood Compounds
Program Listed H1
NSF Registration No 150318

Typical Properties

Appearance	Clear low viscosity oil
Base Fluid	Blend of synthetic oils

Directions for Use

- Shake can well before use.
- Apply from a distance of 15cm to 25cm.
- Re-apply as required.

Applications

- Seized fasteners
- The dismantling of equipment
- NSF® H1 registered suitable for food processing environments

Health and Safety
