

AUTOMOTIVE TRANSMISSION OILS

ADDINOL TRANSMISSION OIL GH 80W-90 LS, GH 85W-90 LS

PRODUCT DESCRIPTION

ADDINOL Transmission oil GH 80 W 90 LS and ADDINOL Transmission oil GH 85 W 90 LS consist of ageing resistant mineral oil raffinates being additivated with a selected P/S additive combination and a special additive for reducing noises and to preventing vibrations in limited slip differentials.

APPLICATION

- Outstanding suitability for the lubrication of axle drives with limitedslip differentials of passenger cars and commercial vehicles
- Particularly suitable for agriculture and forestry as well as construction industry
- Also usable for hypoid axle drives without limited-slip differential

DELIVERY

Delivery preferable in drums and small cans.

SPECIFICATIONS / APPROVALS

Meets and exceeds the international specifications of:

- API GL-5
- MIL-L-2105 D

Approved according to:

GH 80 W 90 LS

• ZF000703: ZF TE-ML 05C, 12C, 21C

GH 85 W 90 LS

• ZF000629: ZF TE-ML 05C, 12C, 16E, 21C

Complies with the requirements of:

- MB-Approval 235.0
- MAN 342 M1 (342 N)
- Volvo 97310, 97311
- DAF
- ZF TL-ML 07A
- PSA B71 2375 (only SAE class 80W-90)

CHARACTERISTICS

- Special P/S and silencer additives
- "limited slip" additives
- · Good wear and corrosion protection

ADVANTAGES AND BENEFITS

- Good adhesive, pressure and tear resistant lubrication film
- No unwanted slip and stick properties
- Outstanding protection of transmission parts with low maintenance and repair costs

SPECIFICATIONS AND TYPICAL PARAMETERS

ADDINOL - The Experts for High-Performance Lubricants

We at ADDINOL develop and produce more than 600 high-performance lubricants of the new generation. Among these are automotive lubricants for highest demands and pioneering developments for industrial applications. Our customers all over the world benefit from the high and stable quality of our ADDINOL high-performance lubricants, our know-how and the individual customer advisory service of our competent experts. Our company has world wide activities. ADDINOL high-performance lubricants are distributed by more than 90 international partners.

The data given in this product sheet represent our current level of knowledge and experience. Due to the various specific application they do, however, not discharge the user from his own examination. The information provided herein may not be used to derive a legally binding warranty of specific properties or the suitability for a certain purpose of application. Detailed security-concerning and toxicological data as well as security instructions for each product can be taken from the corresponding Material Safety Data Sheets (MSDS). High-performance lubricants from ADDINOL are under continuous development. Therefore, ADDINOL Lube Oil GmbH keeps the right to change technical data in this product data sheet without notification. In case of doubt, please do not hesitate to contact our customers' advisory service.
