

Fully Synthetic

# Kixx LPG

Top Performance LPG Engine Oil

API SN PLUS

## DESCRIPTION

Kixx LPG is a high-performance, highly shear-stable, multigrade LPG engine oil for use in passenger car, RV, SUV and light truck engines operating under the most severe conditions. It is formulated from latest technology additives, optimized to provide complete engine protection against friction, wear, heat stress and engine deposits.

## APPLICATIONS

- LPG engines for passenger cars, RV, SUV and light truck

## PERFORMANCE STANDARDS

- API SN PLUS

## CUSTOMER BENEFITS

- Maximizes engine life through superior wear protection and deposit control under all operating conditions.
- Provides significant fuel savings by reducing friction.
- Protects against start-up wear in low temperature conditions based on excellent low-temperature fluidity.
- Maintains power and durability by minimizing wear in even the most sophisticated valve train mechanisms, including those with variable valve timing
- Helps to preserve emission control and fuel saving performances by protection of converters and oxygen sensors.

## KEY PROPERTIES

SAE Grade	10W-40
Density, kg/L @15°C	0.863
Kinematic Viscosity, mm <sup>2</sup> /s @ 40°C	98.1
Kinematic Viscosity, mm <sup>2</sup> /s @ 100°C	14.6
Viscosity Index	154
Pour Point °C	-39
Flash Point °C	226
Package (Liters)	200
