PerFormance Proofer Oil

Product Overview

PerFormance Proofer Oil is an NSF® H1 registered fully synthetic food grade oil specifically designed to provide extremely high performance in the lubrication of bakery continuous conveyorized Proofer chains and other food processing equipment in humid and wet environments.

PerFormance Proofer Oil contains unique additives to prevent acidic corrosion. The product has excellent water resistance and tackiness additives to ensure non drip performance during use.

Features and Benefits

- Audit compliant - NSF® H1 Registered
- Unaffected by water
- Excellent Rust & corrosion protection
- Excellent EP & anti wear additives lower chain wear and extends chain life
- Excellent Adhesion – Non drip
- Temperature range -30 °C to 165 °C
- Halal Certified
- Kosher Certified

Applications

PerFormance Proofer Oil is particularly suited for the lubrication of:

- Continuous Proofer Chains
- Drive chains
- Conveyor chains
- Operating in ambient to low temperature environments
