

PerFormance FG Fast Dry Electrical Cleaner

Product Overview

PerFormance FG Fast Dry Electrical Cleaner is a quick drying solvent cleaner in aerosol format, designed to remove grime, grease and dirt from all electrical instruments and devices including control panels, motors, contacts and switches. It is NSF® Registered category code K2 as suitable for cleaning electronic instruments and devices in and around food processing areas. The cleaner is also ideal for use in many other industrial environments.

PerFormance FG Fast Dry Electrical Cleaner when dry leaves no residue and so is ideal for the cleaning and degreasing of electrical components. The product is safe for use on most plastics or painted surfaces.

Features and Benefits
