# ELITE EVOLUTION ECO V OW-20 

## Lubricants

## Description

A high-performance synthetic lubricant developed for the latest Volkswagen (Audi, VW, Seat and Skoda) engines that need VW 508 00/509 00 approval. Suitable for use in petrol and diesel vehicles. It may also be used in other brands of vehicles that require a OW-20 viscosity grade lubricant with ACEA A1/B1 quality level. The ultimate combination of the base oil and state-of-the-art additives guarantees fuel savings and protects VW 508 00/509 00 specification engines.

## Properties

- OW-20 viscosity grade lubricant with reduced ash content and low high temperature high shear viscosity (HTHS $\geq 2.6 \mathrm{mPa} . \mathrm{s}$ ).
- It meets the requirements of the VW $50800 / 50900$ specification for the latest light diesel and petrol direct injection engines.
- Its 0W-20 viscosity level makes cold starts easier by maintaining perfect lubrication in the metal-metal contact points while adapting to the various different types of driving.
- Long-life lubricant
- It is only recommended for use in state-of-the-art engines and is not suitable for engines with earlier specifications.

## Quality levels

- VW 508 00/509 00
- PORSCHE C20
- ACEA A1/B1

## Technical characteristics

|  | UNIT | METHOD | VALUE |
| :--- | :---: | :---: | :---: |
| SAE grade |  |  | OW-20 |
| Density at $15{ }^{\circ} \mathrm{C}$ | cSt |  | 0.835 |
| Viscosity at $100^{\circ} \mathrm{C}$ | cSt | ASTM D445 | 7.9 |
| Viscosity at $40^{\circ} \mathrm{C}$ | cP | ASTM D445 | 38.8 |
| Viscosity at $-35^{\circ} \mathrm{C}$ | - | ASTM D5293 | 6200 maximum |
| Viscosity index | ${ }^{\circ} \mathrm{C}$ | ASTM D2270 | 177 |
| Open cup flash point | ${ }^{\circ} \mathrm{C}$ | ASTM D92 | 209 |
| Freezing point | $\mathrm{mg} \mathrm{KOH} / \mathrm{g}$ | ASTM D97 | -57 |
| TBN | $\%$ in weight | ASTM D874 | 0.8 maximum |
| Sulphated ash | cSt | ASTM D3945 | 7 minimum |
| Bosch injector shear at $100^{\circ} \mathrm{C}$ | $\%$ | DIN 51581 | 11 maximum |
| Noack volatility at $250^{\circ} \mathrm{C}$ |  |  |  |

The above mentioned characteristics are typical values and should not be considered product specifications.

A product safety sheet is available upon request.
